How could Trinity make better use of technology (live-stream, social media, telephone, e-mail, newsletters, announcements, Zoom) to help you engage with worship, fellowship, education, pastoral care and/or outreach?

What would help you use existing technology and communication methods more effectively?

What gifts and skills might you bring to the communication and technological life of Trinity?

From your perspective, what from our pre-COVID days should Trinity resume? (when we can do so safely)

From your perspective, what from our pre-COVID days might Trinity elect NOT to resume?

Please use this space to share anything else that is on your heart and mind

May we contact you to follow up? What is the best way to be in touch?
